United Way of Central Carolinas fights for the education, health and financial stability of every person in our community.

CREATING AN ENVIRONMENT OF OPPORTUNITY FOR ALL

United Way has always been about neighbors helping neighbors. Whether it's the needs of an entire neighborhood or simply the needs a family has for tomorrow, we're always working together with our community to ensure everyone has the opportunity to reach their full potential.

With a focus on education, health and financial stability, United Way works to address our community's economic mobility challenges, while always providing a safety net for our neighbors that face unexpected life challenges.

Impact Grants

We support our five-county region through a network of partners that work collaboratively to provide comprehensive and coordinated services that will improve economic mobility and achieve results greater than any single organization.

United Neighborhoods

We work to change the odds for those in our most under-resourced neighborhoods by supporting community-driven holistic neighborhood transformation and revitalization efforts.

Unite Charlotte

We support new and grassroots organizations through grants and capacity-building activities focused on improving racial equity and increasing social capital.

This is your United Way. This is your community. Lend your voice. Raise your hand. Make a difference. We're here to connect you to opportunities to volunteer, to lead, to help people – and to connect you to other people who share your passion. Join us.

JOIN AN ENGAGEMENT GROUP

United Way engagement groups bring individuals of all ages and interests together to support the community. Choose the group that best fits you!

A-LIST - Unites African-American trailblazers to lead, influence, support and teach our community in order to foster social equality.

LINC - Creates change through fun projects and meaningful mission moments, all while networking with like-minded 20- to 30-year-olds over various social gatherings.

WOMEN UNITED - Connects professionals, community volunteers and business leaders dedicated to making a lasting impact in the Charlotte region.

YOUNG LEADERS - Brings together young professionals to take collaborative action in philanthropy, volunteer and leadership activities throughout the community.

LEADING THE WAY

By becoming a Leadership donor at United Way, you're rallying with others who have similar philanthropic mindsets and a passion for creating change. We have three leadership categories:

Leadership Circle – Recognizes donors who exhibit dedication to improve the quality of life for all our neighbors by contributing at least \$1,000 annually to United Way.

Alexis de Tocqueville Society – Named for 19th century French intellectual Alexis de Tocqueville, the society honors community-minded investors who donate \$10,000 or more annually.

Legacy Society – Honors those who invest in the future of our community through a planned gift to United Way.
